JARRETT BAY 34 WALK AROUND EXPRESS

Offering a layout that features 360-degree mobility above deck, overnight accommodations below and triple outboard power to get you anywhere fast, the Jarrett Bay 34 Walk-Around Express is a fully equipped fishing vessel that's equally at home on the offshore grounds or near-shore waters. The self-bailing cockpit has a 50-gallon transom fish box/ livewell, fresh and saltwater washdown, two large in-deck fish boxes with macerators, two transom tackle accessory storage boxes plus two additional in-deck storage boxes mid-ship. The helm deck includes a bench helm seat with storage below and an aft-facing bench seat with cooler plus additional seating on a folding bench seat to port. A pod-style helm and custom instrument panel with room to flush-mount a single large multi-function display as well as an AM/FM stereo, satellite radio and MP3 player are all standard. Access to the pump room is via a hinged, gas-assisted hatch where there's also additional storage space. Twin molded spreader lights, five rod holders, recessed navigation lights, an overhead radio box, Taco Grand Slam outriggers and center rigger and three-sided enclosure highlight the standard fiberglass hardtop.

The cabin layout features American Black Cherry trim throughout and includes a V-berth with rod storage below, carpeting and an LCD TV with DVD/CD player while the galley includes a solid surface countertop and an AC/DC refrigerator. An enclosed head offers electric freshwater toilet, stainless steel sink, shower, solid surface counter and dry storage. Popular fishing options include underwater lights, teak covering boards, cockpit and helm sole, air conditioning, bow thruster and diesel generator. Contact: Jarrett Bay Boatworks at 252-728-2690 or on the web at www.jarrettbay.com.

Beam	11' 2"
Draft	2'
Fuel Capacity	315 gallons
Water Capacity	25 gallons

JERSEY CAPE DEVIL 45

The new Jersey Cape Devil 45 features the look, design, features and options which created a cult-like following of their Devil 36. The hull has the same classic Carolina-look of its little sister though prop pockets have been added for shallow water draft. Upon entering the main cabin there's a full head immediately to starboard aft with shower, sink, toilet and vanity. To port is the U-shaped galley with concealed cooktop, microwave, sink, Sub-Zero refrigerator and freezer and solid surface countertops plus lots of dry storage. Just forward of the galley peninsula to port is a large settee with rod storage below that converts to an upper and lower bunk by lifting the settee back. A flat screen TV with CD/DVD/Blue Ray player and AM/FM stereo highlight the entertainment center. The dinette lies to starboard forward of the head and offers ample seating with storage below. Crossover V-bunks with storage above and below plus a large hanging locker highlight the private forward stateroom.

The helm deck features a forward helm with Palm Beach-style teak pod, single lever controls and a teak electronics console with room for a complete electronics suite. There's access to the engine room via the helm deck where several twin diesel power options are available. Other engine room features include a 10kW diesel generator, dripless shaft logs, oil add/change system and Glendinning synchronizer. Cockpit amenities include a large in-deck fish box with macerator, transom door, transom fish box w/livewell and tackle prep center with refrigerated drink box, bait freezer and storage. Contact: Jersey Cape Custom Yachts at 609-965-8650 or on the web at www.jerseycapeyachts.com.
