COVERING NEWS, GEAR, MARINAS, MEDIA, NEW BOATS, AND DESIGNS

■ Ground Breaking at Palm Harbor Marina

Construction is underway in Palm Beach, Florida, on the Palm Harbor Marina, which is set to be completed in late fall of this year. Work on the multi-million dollar renovation is generating 100 new jobs locally and will cost roughly \$90 million. Located along Flagler Drive, the new marina will accommodate 200 yachts up to 250 feet. palmharbor-marina.com.

■ Hands-Free Shoe

Here's an easy way to make sure those who don't remove their shoes don't track dirt onto your deck. Tidy-Trax is a revolutionary "hands-free" over-shoe that you leave on deck. Simply step into the Tidy-Trax when boarding, then slip out of them when getting back on the dock. Made out of foam, they're lightweight, easy to clean and provide good traction. Best of all, they won't leave marks on your gel coat. tidy-trax.com. \$35
