JARRETT BAY 58' SPORTFISHERMAN

Jarrett Bay's latest launch, a 58' model, maximizes its performance capabilities while placing an emphasis on safety and fishability. The 58' yacht rides on a modified-V hull, which Jarrett Bay says will deliver a smooth trip in almost all sea states. Capable of 36 knot speeds, the 58 cruises at an impressive 30 knots. Its stringer and "egg crate" structure are designed and built to deliver strength and durability.

The builder says the 58 boasts one of the largest cockpits in its class. An overhang provides shade from the
