Water: **250 gal.**

Holding: **50 gal.**

Engines: **Cat® C32 ACERTs**

Horsepower: **1,925hp x 2**

Top Speed: **44.5 kts.**

## LAYOUT OVERVIEW

Another thought-filled build for a repeat Jarrett Bay owner, this 64' battlewagon is chock full of owner-captain input & innovations. From stem to stern, the *Bench Mark* is pure power & performance packed in a clean & elegant finish.

The satin wood finishes throughout & understated interior elegance make the *Bench Mark* one very fine & functional fishing machine. The three stateroom configuration features a three-bunk forward stateroom, a two-bunk crew quarters & a queen-sized island berth in the master stateroom. The spacious salon features expansive sofa seating to both port & starboard, entertainment center, full galley, bar stool seating for two, & a dinette which comfortably seats four.

You'll find the same sense of open comfort on the bridge with bench seating & built-in arm rests & cup holders. There's plenty of seating, storage & two barrel seats forward of the helm, plus an aft-facing seat across from the twin helm chairs. With ample storage spaces cleverly concealed throughout the mezzanine as well, the cockpit remains an organized & spacious fishing platform through even the most frantic of bites.

Unfortunately for her crew & guests, the exhilarating raw speeds *Bench Mark* enjoys to & from the fishing grounds may result in less time in which to be enveloped in her stunning accommodations & beauty.

Sub-zero freezers under the cockpit are accessed by folding up the engine room ladder

## PERFORMANCE

RPM	SPEED	GPH
2320	44.5 kts.	222
2200	42.3 kts.	195
2000	38.3 kts.	156
1800	36.9 kts.	135
1600	33.0 kts.	113

The one-piece hydraulic sofa lift allows for easy storage access without any fussing with cushions
